

2018 MEMBERSHIP TRIAL OPTION

100% of 2017 Trial Members joined the Club for 2018 - get ready for a lifetime of friends, family and sport...

A trial membership is a great opportunity to try out a wonderful, traditional, old course without a large financial commitment. Get to know your fellow members, the staff and the golf course intimately - learn the ins and outs, the social fabric and enjoy a delightful walk “where legends have walked”, all while cementing your interests and knowing that this is where *you* belong...

The HGCC trial option is open to a limited number of individuals and families. Take part in events in and around the Club* and get to know what it will really feel like to belong to a grand old course and the proud moment when you finally say “my Club”...

There are 2 main categories to join - unrestricted and restricted. As we do not have tee times, the categories refer to your tee access. The primary member joins as an unrestricted in most cases and family members can choose from there.

Trial memberships will begin November 1, 2017 and will continue through October 31, 2018.

How to apply

You must be proposed and seconded by HGCC members who have at least 3 years of membership tenure and follow the membership processes in place for trial approval. Another final approval process will be required should you wish to become a full member.
